CC Docket No. 02-6

Re:   Carrollton-Farmers Branch ISD, Billed Entity # 140444
      Request for Review of Applications 456026 & 454160 for Funding Year 2005

To Whom It May Concern:

We respectfully ask that you review our applications 456026 & 454160 and release the funding. We have been held in limbo with no movement on them since June of 2005. At that time we received a FCDL for 454160, acknowledging our cancellation of four FRN's only, no other decisions were made.

During 2005, we responded to numerous PIA requests and a Selective Review for both of the applications. The SLD has not asked for any more information since October 28, 2005. On November 4, 2005 I emailed the reviewer, Jane Giancamillo, and inquired about the status. I was informed that she was finished with the Selective Review and the applications had moved on to the next level. We still do not have a decision.

I've repeatedly sent inquiries regarding status of applications 456026 & 454160 via the "submit a question" feature on the SLD site, the responses from the SLD have been, the applications are still being reviewed and there is no time line for a decision. I've also contacted Mel Blackwell, John Noran & Robert Spiller, they all responded stating they do not know when it will be resolved.

Therefore, we respectfully ask that you direct USAC to release our application and fund the FRN's.

Thank you,

Ellen Yates
Technology Division Manager

Thank you for your inquiry. FCDL Issued - Here is a direct link to the Apply Online area to check the status of your Form 471: http://www.sl.universalservice.org/FY3_form471/471StatusCheck.asp

Please note that the status of each Form 471 will be available in real time. This means that an application may move into and out of more than one status during a given day, and may also move to an earlier status during the course of a review. This movement is a part of the normal review process, and this movement — including the temporary return to an earlier status —should not be cause for concern. It shows that a FCDL was issued 06/27/2005. There is no set time for the FCDL to be funded.
